SESSION-2024-25

CLASS-VII

# SUMMER BREAK, 2024-25

(23<sup>rd</sup> May to 30<sup>th</sup> June, 2024)

***The school shall re-open on Monday, 1<sup>st</sup> July, 2024 as usual.***

***Dear Students***

***Unfeigned Greetings!***

*Holidays' Homework serves several vital purposes for the students. It helps reinforce what students have learnt in the previous months, preventing the "Summer Slide" where important skills and Knowledge are forgotten over a long break.*

*Assignments given during the holidays help the students develop research, analytical, logical, speaking, writing, communication, reasoning and reading skills outside the regular classroom ambience. The Holidays' Homework introduces new concepts that will be taught in the coming days, giving students a head start. With more free time during the holidays, the given assignments help the students know how to balance leisure and work, fostering good habits in time management and self-discipline. Moreover, without the immediate support of teachers, the students learn to solve the problems on their own, fostering independence and confidence in their abilities.*

## **TIPS FOR DOING HOLIDAYS' HOMEWORK**

- **PLAN AHEAD:** Start by listing all the Homework: Models, Projects, Assignments, Art -Integrated Activity etc., you need to complete. Break them into smaller, manageable tasks and set the deadlines for each.
- **CREATE A SCHEDULE:** Allocate specific times each day for the homework. Treat these times as the fixed appointments.
- **SET CLEAR GOALS:** Define what you need to accomplish in each study-session. Setting goals can keep you focused and give you a sense of achievement as you tick the tasks off your list.
- **CHOOSE A CONDUCIVE AMBIENCE:** Find a quiet and cosy place to study. Make sure it is free from distractions.
- **TAKE REGULAR BREAKS:** Don't forget to take short breaks to reset the brain.
- **STAY ORGANISED:** Keep all your study-material and notes organized and handy.
- **REVIEW REGULARLY:** Instead of cramming, review your notes, answers and other work regularly. This enhances memory-retention.
- **STAY MOTIVATED:** Keep your morale high.
- **STAY HEALTHY:** Maintain a balanced and nutritious diet, hydrate well and ensure that you get plenty of sleep. Stay away from heat. Your brain needs rest and fuel to function at its best.

***MAY YOUR HOLIDAYS BE FILLED WITH HAPPINESS, FUN, FROLIC, LAUGHTER AND  
CHERISHED MEMORIES!***
